

Voronoi tessellation — TalChhapar_TC (observed) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)

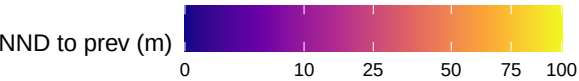

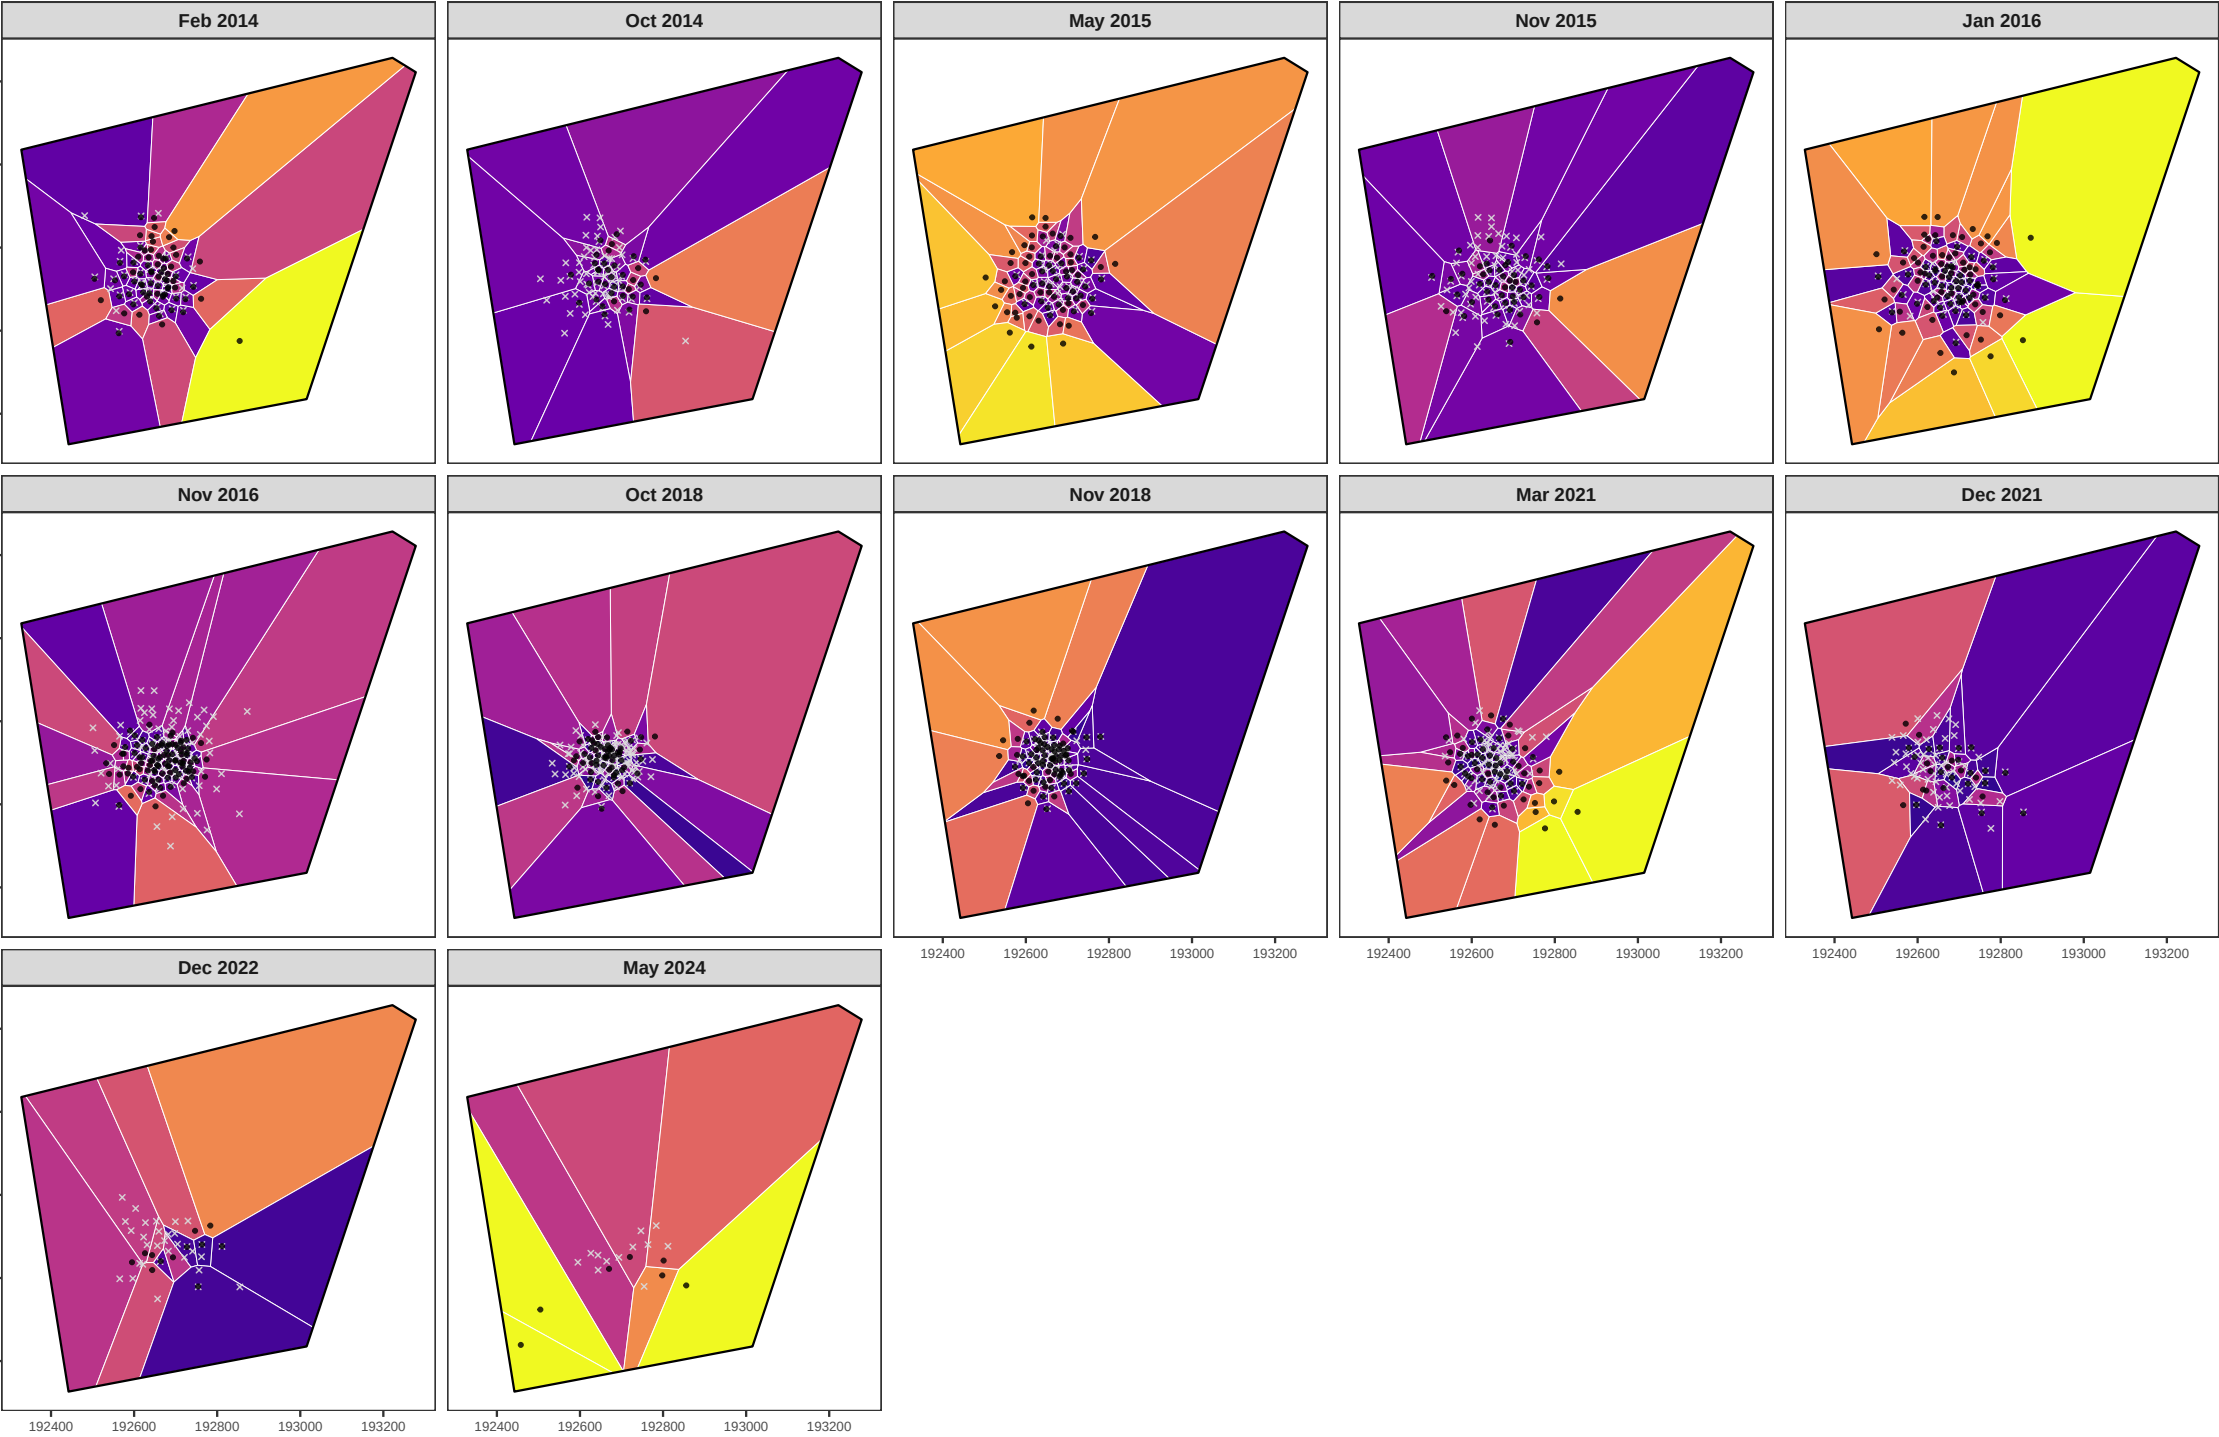

Voronoi tessellation — TalChhapar_TC (CSR) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)

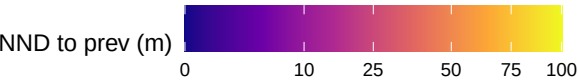

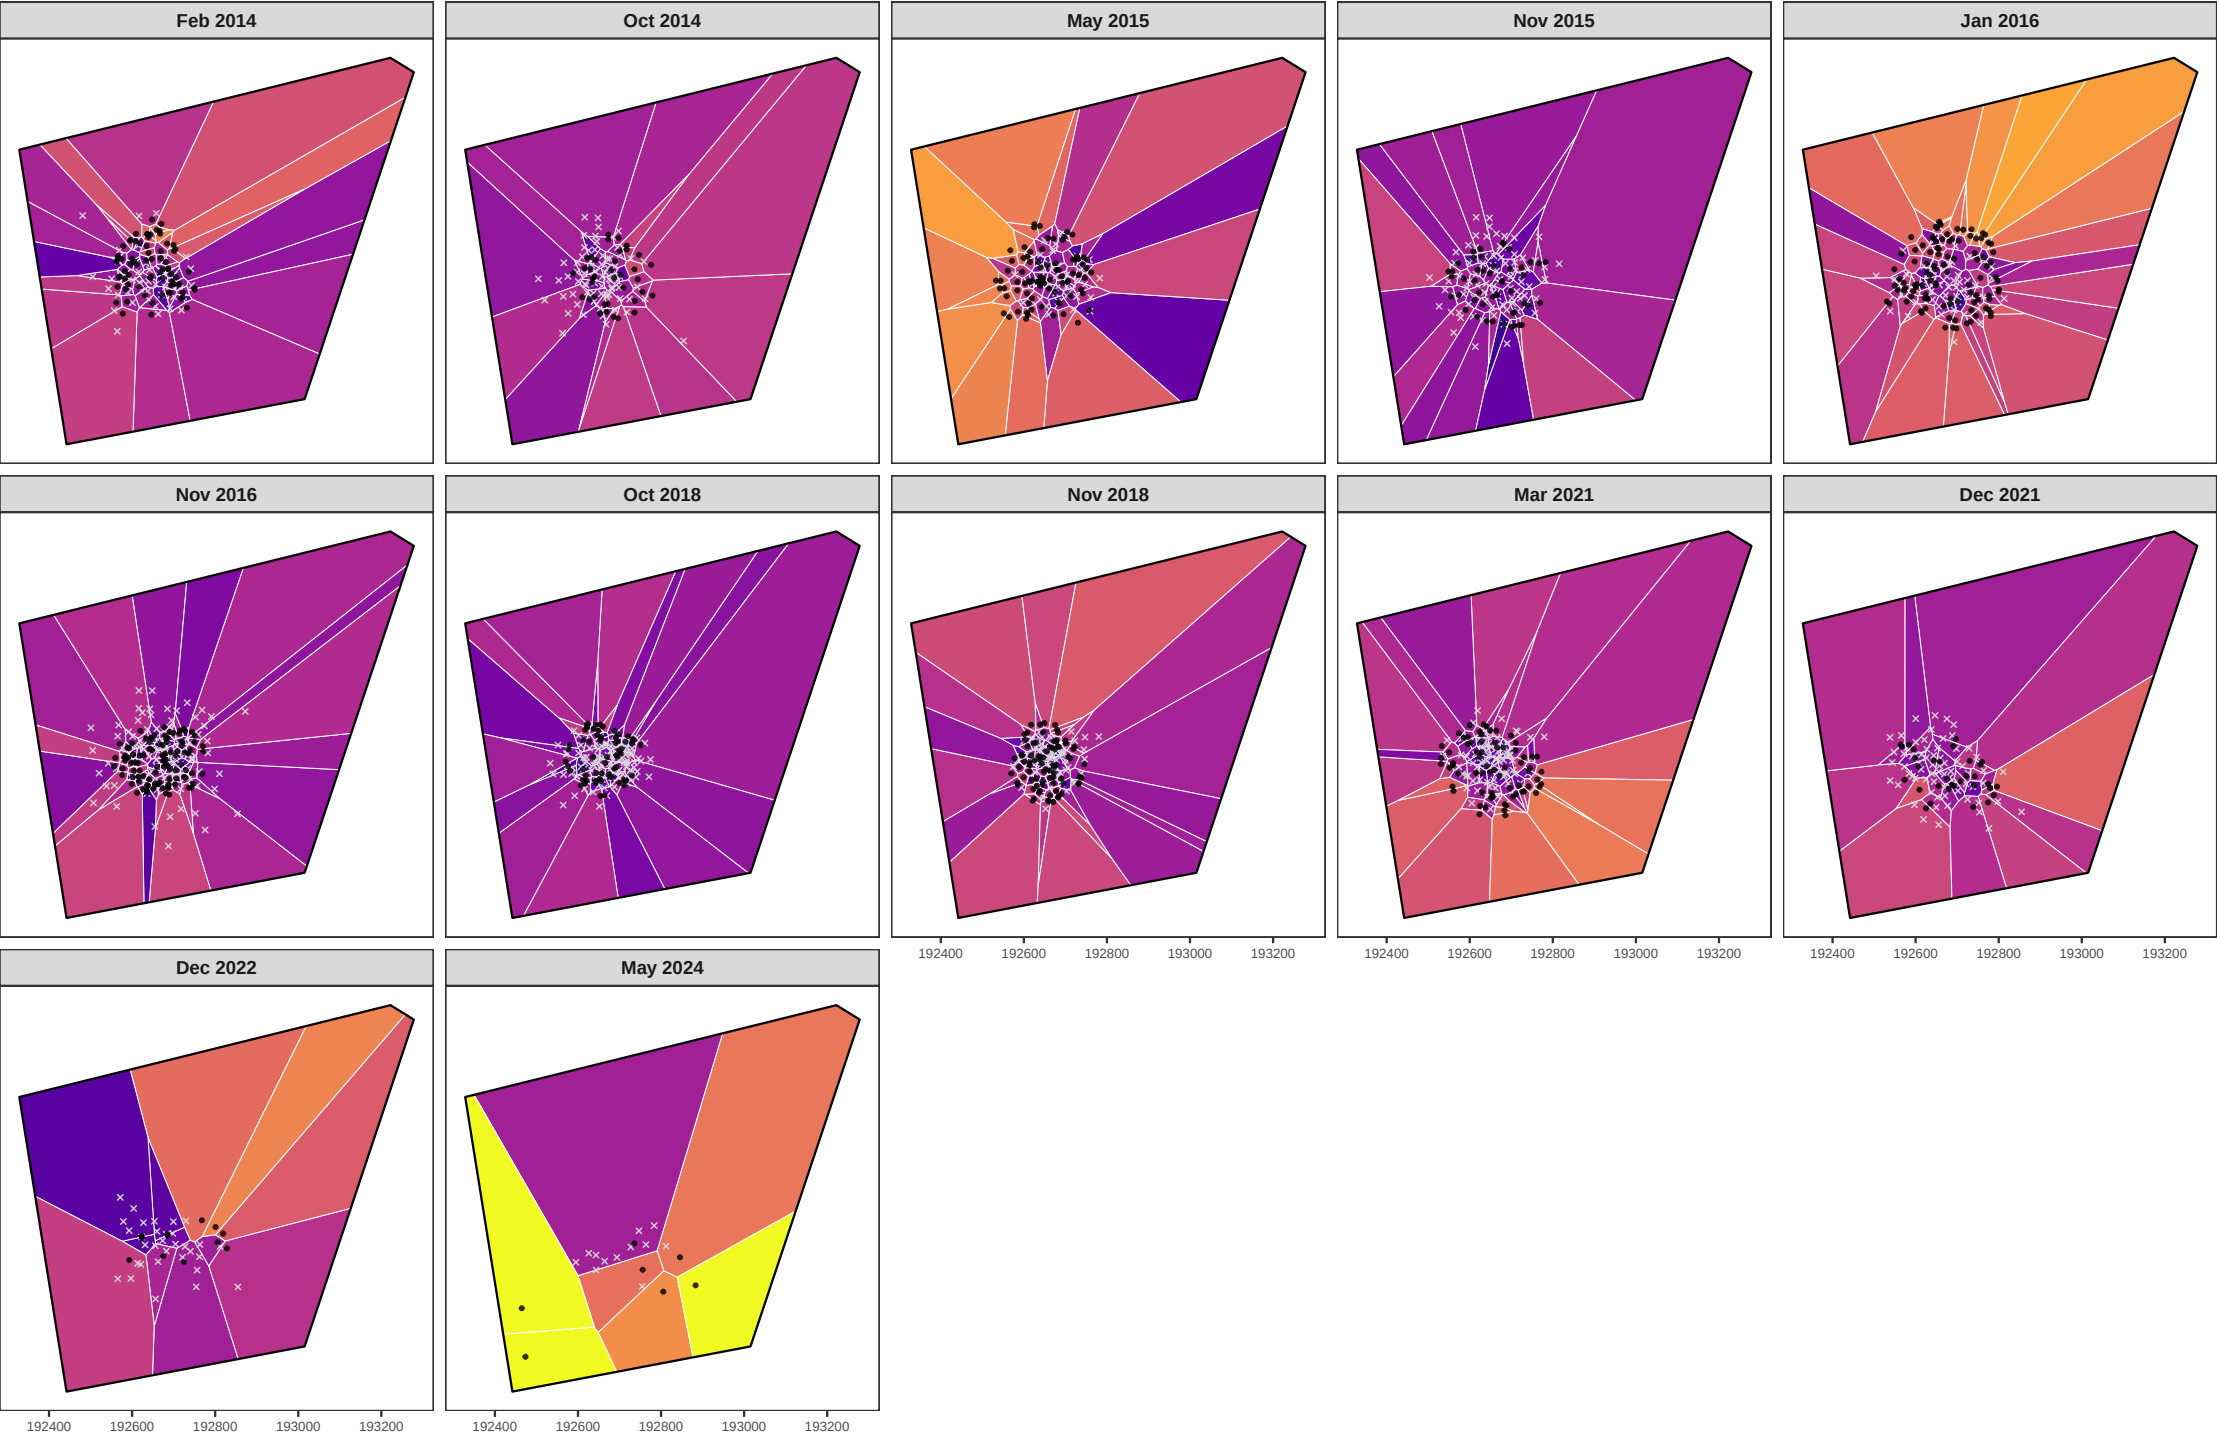

Voronoi tessellation — Velavadar_LEK1 (observed) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)

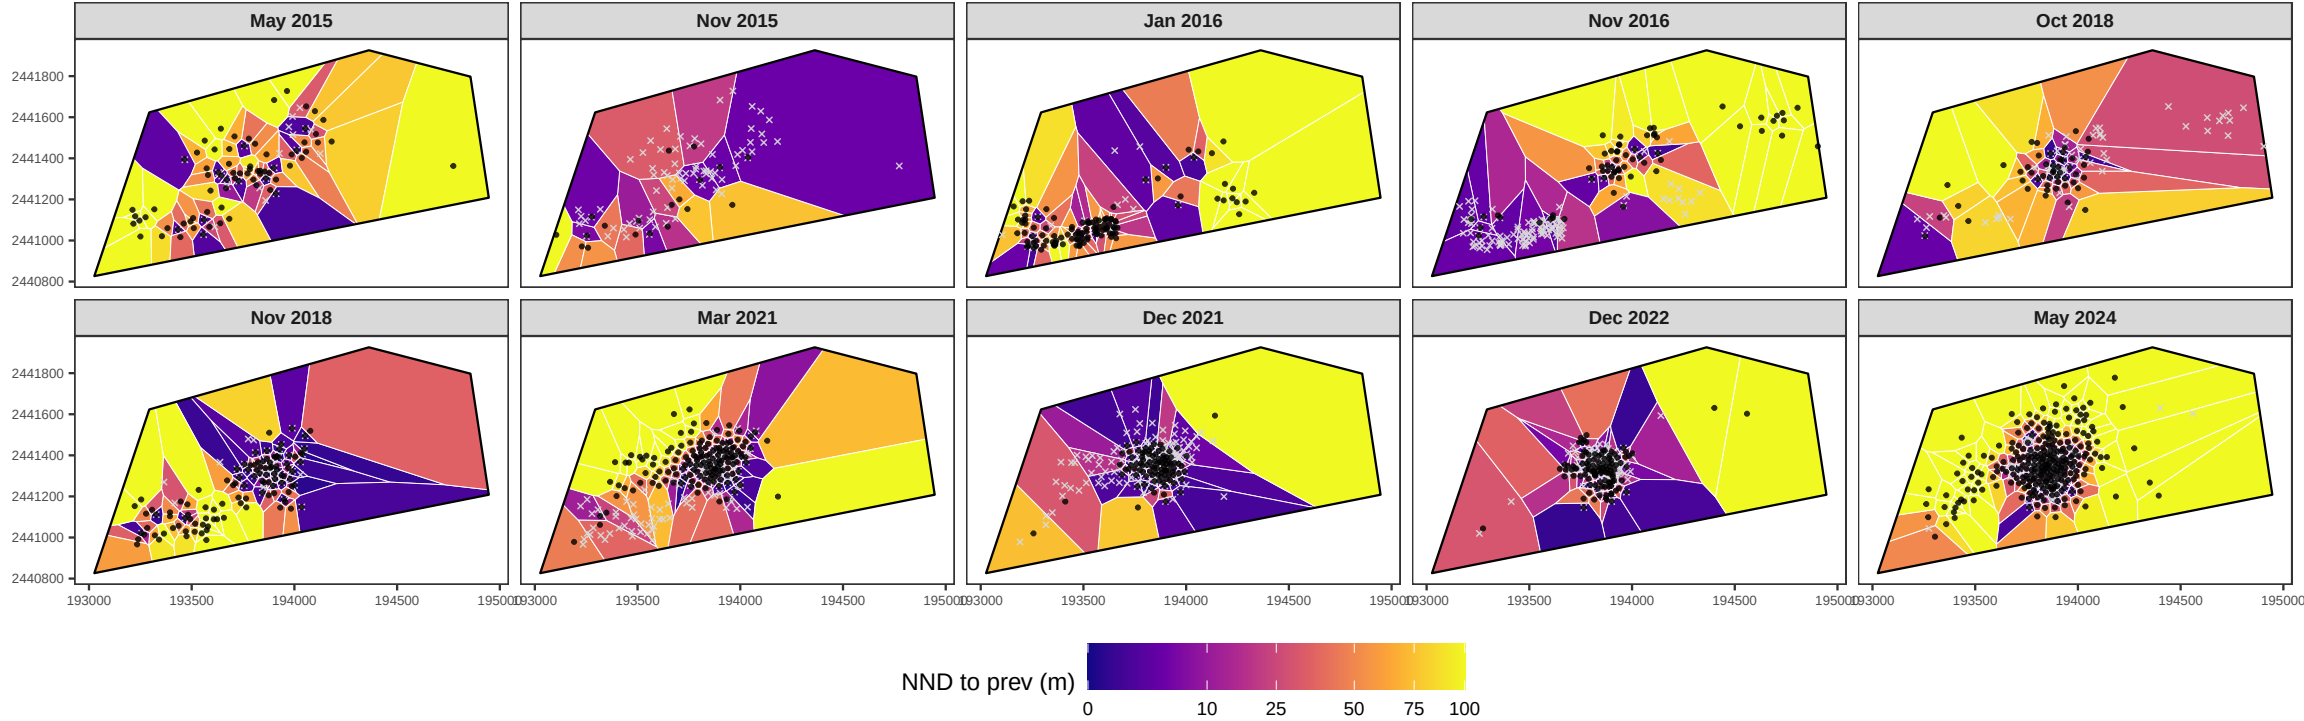

Voronoi tessellation — Velavadar_LEK1 (CSR) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)

Voronoi tessellation — Velavadar_LEK2 (observed) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)

Voronoi tessellation — Velavadar_LEK2 (CSR) coloured by NND to previous survey

Black dot = current-survey territory; grey x = previous-survey territory (NND reference)
